

Fire protection certified according to NT FIRE 017 120 P

HP-400

The PK-400 safes are designed specifically for offices. For secure storage of documents and other valuables.

Safes can be easily placed among other office equipment in modern office environments. The smallest series can even be placed under a desk

PK cabinets are 120 minutes fire tested according to Scandinavian standards for paper
NT FIRE 017.

Prepared as standard for floor fixing.
